## Route F525- Midvale Flex

Timepoints are approximate and may vary due to road and traffic conditions

## FLEX ROUTES

Flex Routes are bus routes that provide local service and connect to other UTA services. The service is unique because residents can use the planned route or they can call to schedule the bus to pick them up or drop them off up to 3/4 mile from the fixed route. These scheduled deviation requests are on a first-come, first-served basis and a bus may deviate up to two times each trip with restrictions.

The fare for standard service at designated bus stops is the same as any other local bus or TRAX service. The fare for a scheduled deviation is the standard fare plus \$1.25. That covers both a pick-up and a drop-off deviation for one ride.

### Curb-to-Curb service

UTA will stop at the nearest curb to pick-up and drop-off customers. They also will assist customers as they board. UTA cannot not provide door-to-door service and will not go to the door, knock or assist customers through the door. The bus will not stop if the person requesting the deviation is not standing at the curb when the bus approaches.

Because these are on a fixed route that can deviate, the schedule time points are approximate. The bus can run 10-15 minutes after the listed time points. The bus will never bypass a time point earlier than scheduled.

How to schedule a deviated pick-up or drop-off? Customers can call between 8:30 a.m. and 3:00 p.m., Monday through Friday to schedule a trip or ask questions at 801-287-7433.

If you need an early morning trip (before 11:00 a.m.) the request will need to be made the day before. Deviation requests can be made from two hours to 7 days in advance.
